Segment

Design by Gianluigi Landoni

Segment è una specchiera da parete di forte impatto visivo, caratterizzata dal bordo con incisioni geometriche. È disponibile con forma quadrata, rettangolare o rotonda, in diverse dimensioni ed anche con retroilluminazione a led che ne mette in evidenza il decoro segmentato.

Segment is a wall mirror with engraved segments of great visual impact. Available in various sizes in the square, rectangular or round shape, also with a led lighting on the back that catches the eye to the segment decoration.
